BELL ACRES BORO COUNCIL PRESIDENT PASSES

Larry August Pryor, 66, of Bell Acres Boro passed away on October 28, 2009. He had many accomplishments in his life, his most proud being a loving marriage of 44 years with his wife, Claudia, and the joyful times spent with their sons Larry Jr. (Stephanie), Ken (Crista) and their grandchildren, Mackenzie, Payton, Justin, Haylee and August. His life was blessed.

He attended the University of Richmond on a football scholarship where he served as President of the Student Government for the Business School, and was a member of Sigma Alpha Epsilon and Omicron Delta Kappa.

Larry was a lifelong motorsport enthusiast and current member of the Sports Car Club of America. He successfully competed in the late 70's thru early 80's in a GT-3 Porsche 914. He went on to compete in the Escort Endurance Series with a Porsche 944 Turbo. He was also an avid member of the Allegheny Region Porsche Club of America where he shared his love of Porsches with its many members. He also shared and enjoyed many weekends with his sons driving his Porsche on various race tracks in Ohio, New York and PA. While instructing at these driver events, there was never a shortage of students who wanted to "go for a ride with Larry Pryor".

Larry and Claudia still worked together at their Sewickley office location for their metals business, Asia Minerals US, LLC, and could be seen many times in the Village walking to lunch.

A private funeral was held on Saturday, October 31, 2009.
